TO: Dr. Tom Turns
Dean of Student Life

FROM: Donald W. Whisenhunt *Donald W. Whisenhunt*
Vice President for Academic Affairs

SUBJECT: TEU Bass Club

I have reviewed the petition for the proposed student organization TEU Bass Club. Based upon the purposes described in the petition and the fact that the procedures for new organizations as specified in the Student Handbook have been fulfilled, I hereby grant tentative administrative approval for the organization.

I trust that you and Dr. Szarka will continue to work with the organization so that the constitution will be submitted within the time specified in the Handbook. Since this is the first student organization that is not related to an academic area, I encourage you to work very closely with Dr. Szarka and the students involved so that the constitution will reflect appropriate procedures and activities that will be in keeping with the stated goals and objectives of Texas Eastern University.
